Tale of Eun Aran
Season 2
Story/Song Jung-ook
Art/Song Eui-sup

There have been no injuries reported, but the immense amount of damage could not have been caused by a wild hog.
The concrete guard rail was broken
and the roof of a car was ripped off.
Investigators suspect that this was an act of terrorism and not a wild animal...

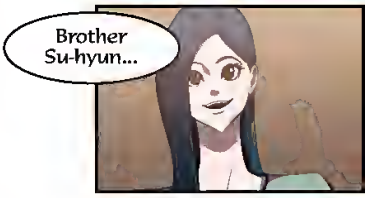
You must kill all of the Branch and Aran to bring peace to the world of Murim!
We, the Elders, will be supporting you along the way.

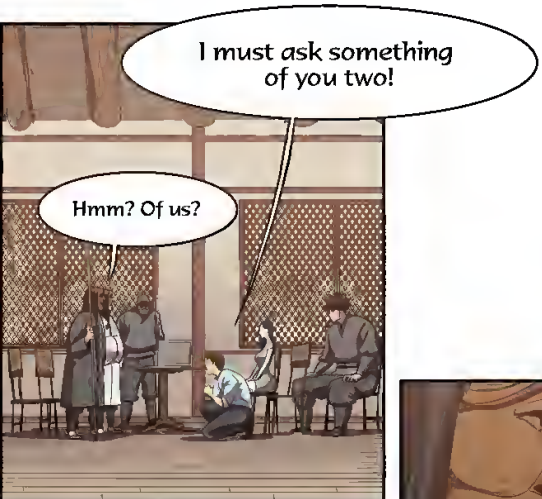
Being the "leader" of this attack makes you directly below us, the Elders.
Use this power to bring an end to the Branch Family once and for all!

Yes, I understand!

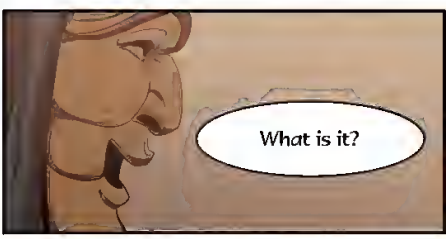
Kugh...



Brother
Su-hyun...



I must ask something
of you two!
Hmm? Of us?



What is it?

First, is that you announce that I will be the leader of this attack in front of all the students.
And second, is that the two of you become my Masters.
You're an arrogant one.
Kuku... The young one asks it of us, so we must. However, to think that you would ask us to become your Masters; you've no fear in your heart, young one.

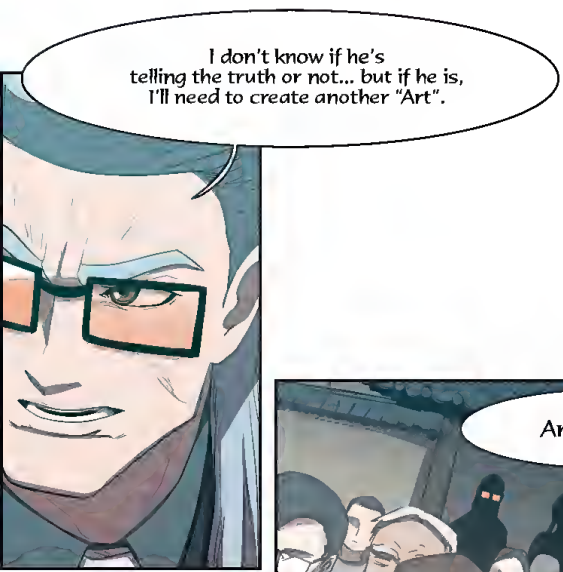
That bastard
really got the Grand Master's Ki, huh. Though he's still pretending to be clean...

Hmph, you seem pretty bitter about this. I bet you didn't expect Aran to lose the Ki, eh?
.....

If he lost the Ki, then Eun Aran is done for.



I don't know if he's telling the truth or not... but if he is, I'll need to create another "Art".

Another art?
